

The annual **Imperial Radio Control Clubs "Toys for Tots"** toy collection is now in full swing and will continue until Saturday December 5th, 2026, coinciding with the Family Day and End of The Year Celebration at the field.

This will be the 16th year that the **IRCC** has played a part in helping this wonderful organization put a smile on the face of a child on Christmas morning. Last year they were able to distribute almost 69,000 toys to over 14,000 less fortunate children here in Polk County!

Toys can be for either a girl or boy (or both) between the ages of 5–12 years old and must be unwrapped.

A collection box will be in place under the main pavilion (weekends) beginning 11/21/26 for those wanting to drop off early or you may not be able to attend on 12/5/26.

We have had a few members that expressed an interest in placing a collection box at their place of employment or their clubhouse / community center of their residence. If you think that this would be a possibility for you, email me at (raff7113@msn.com) or call (863) 391-8867 and I will make a collection box available to you.

If you find yourself with a little extra time and would like to find out more information on how you can be a part of this fantastic organization – click on the link below:
